

Kitchen Design By Laura Offers the Ultimate in Convenience **There's No Sacrifice or Trade-off for Working Around Your Schedule**

Buying a new kitchen, remodeling a new kitchen, or delving into a complete transformation of an existing kitchen requires road time.

*T*he miles can add up running from showroom to showroom, and the time constraints on the rest of your life will only deteriorate. It will become a full time project looking for the kitchen needle in the flooded-market haystack.

But in Bradenton/Sarasota that frenetic search for the perfect kitchen can now come to you. Laura Wallace and her Kitchen Design By Laura team bring the showroom to you. How much choice do you really have with a mobile showroom on wheels? The answer is unlimited. Laura offers thousands of choices in cabinets, countertops, fixtures, lighting, tiles and flooring. She and her skilled team of professionals can create the kitchen of your dreams, and often in less than half the time it would take the traditional showroom or salesperson.

Working with the homeowners in their own space helps to create a more positive remodeling situation. With Laura's design expertise she can help

you choose the best possible layout, material choice and functionality for your kitchen or bathroom remodel. All this in the comfort of your own home.

Kitchen Design By Laura is the most convenient showroom you've never visited, or have to. From kitchens and bathrooms, to entertainment centers and home offices, you will find the simplicity and ease of having everything at your fingertips with a one-stop shop in

the comfort of your own home. Stop driving all over town for "ideas" and let the ideas come to you. Call Kitchen Design By Laura at (941) 780-2731, or visit them on the web at www.laurawallace.com. You can keep up to date with Laura on her blog, www.kitchencabinetryblog.com □
